

Form PTAX-341 General Information

What is the Returning Veterans' Homestead Exemption?

The Returning Veterans' Homestead Exemption (35 ILCS 200/15-167) provides a one-time \$5,000 reduction in the equalized assessed value (EAV) of the veteran's principal residence for the taxable year that the veteran returns from active duty in an armed conflict involving the armed forces of the United States. The veteran must own and occupy the property on January 1 of the assessment year as his or her principal residence.

Note: For purposes of this exemption, "occupy" means your principal place of dwelling which is "the place where a person has his or her true, fixed permanent home and principal establishment, and to which, whenever he or she is absent, he or she has the intention of returning".

Who is eligible?
