March 9, 2010

Land of Lincoln Goodwill Industries & Electronic Recycling

In an effort to curb the flow of computers and electronics into landfills, Menard County is partnering with Land of Lincoln Goodwill Industries to alert residents to a program called "Dell Reconnect". Land of Lincoln Goodwill Industries has participated in Dell Reconnect as a collector since May 2009. The program allows Land of Lincoln Goodwill locations to accept any brand of used computer equipment, in any condition, and just about anything that can be connected to a computer, at no cost. (Please be aware that Menard County, Dell and Goodwill Industries do not accept liability for lost or confidential data or software. Donor is also responsible for backing up any valuable information and erasing sensitive data from the hard drive before dropping it off.)

For more information about this program, please contact Land of Lincoln Goodwill Industries at (217) 789-0400 or visit the website at <http://www.llgi.org/computer-recycling-dell-reconnect/>. Please be aware that the County will work with Land of Lincoln Goodwill Industries to host collection events in Menard County, weather permitting. Details will become available when dates are set. Please visit <http://menardcountyil.com/> for notice information.
