MENARD COUNTY SOLAR PERMIT APPLICATION

(PLEASE READ BEFORE PROCEEDING WITH APPLICATION)

If property is located in the FEMA-designated floodplain, the Menard County Floodplain Ordinance regulations will apply and you should consult with the Zoning Office before proceeding with this application. In some cases, if a subdivision/split of property is involved, the Menard County Subdivision Ordinance regulations may apply and you should consult with the Zoning Office before proceeding with this application. IN ALL CASES, zoning regulations (e.g., setback requirements) should be known for the subject property before proceeding with this application.

The purpose of this building permit is to enforce the Zoning Ordinance of Menard County. Other ordinances or covenants may be in effect upon your property. It is not the responsibility of this office to enforce ordinances outside of its jurisdiction; any applicable Federal, State or other regulatory agency regulations; Menard County Road District regulations (e.g., culvert installation/driveway siting); deed restrictions; subdivision/homeowner association/architectural control committee covenants, etc. This office reserves the right to require proof that such consultation has occurred, before issuing a permit, so as to alleviate potential conflicts.

If a 911 address is required, please contact the 911 Coordinator at (217) 725-3120 or E-mail at 911coordinator@co.menard.il.us.

If a permit is issued, you will be provided a Certificate of Completion & Conformance. Please remember that this sheet MUST be returned to the Zoning Officer.

Thank You for Your Cooperation
